Bangladesh Research and Education Network Trust

The National Research & Education Network (NREN) of Bangladesh | www.bdren.net.bd

CAREER OPPORTUNITY (Re-advertisement)

BdREN is the country's National Research and Education Network, operating as a non-profit trust under a Board of Trustees. It provides high-performance, secure connectivity to universities, research institutions and medical colleges across Bangladesh, linking the national academic community to the global research and education network ecosystem. BdREN invites applications from accomplished professionals for the following senior-most leadership position.

Chief Executive Officer (CEO)

CONTRACT TERM

Initial appointment for 4 (four) years on a contractual basis, as per the BdREN Trust Deed, extendable further subject to satisfactory performance and approval of the Board of Trustees.

EDUCATIONAL QUALIFICATION

- Bachelor's degree in Engineering, or M.Sc. in Applied Physics & Electronics, from a reputed university in Bangladesh or abroad (foreign degrees require an equivalence certificate).
- An MBA (major in Finance/Accounting/Human Resource Management) will be preferred.

EXPERIENCE

- Minimum 20 years of professional experience, including at least 12 years in leadership/managerial roles (Head of Department, Director, or equivalent).
- Of the above, at least 8 years must be specifically in Telecommunications, Data Communication/IP & Transmission Networks, ICT infrastructure, or a Research & Education Network (REN) environment.

AGE LIMIT

- Maximum 55 years as of the application closing date. The age limit may be relaxed by the Board of Trustees for an exceptionally qualified and experienced candidate.

OTHER CONDITIONS

- This is a full-time position requiring undivided engagement; government officials or candidates retaining affiliation with any other organization (through deputation, lien or leave) are not eligible to apply.

REMUNERATION

Negotiable, commensurate with qualification and experience.

Please have a look at erecruitment.bdren.net.bd for details

Note: Candidates who applied in the previous circular need not apply again.

Application Deadline: 10 October 2026
