Healthcare Formulations Limited, Sreepur, Gazipur is a sister concern of Healthcare Pharmaceuticals Limited. The state-of-the-art manufacturing facilities intend to produce vaccines, injectables, solid, liquid, powder, biological and non-biological range of products.

We are looking for candidates for the following position:

Product Executive (Animal Health)

Job Responsibilities:

- Support new product development and launch by providing necessary inputs, while coordinating sales forecasts and marketing plans (short- and long-term) with supervisors.
- Design and implement promotional strategies for assigned products, including preparing product manuals and training field teams.
- Monitor sales performance against targets and adjust strategies to ensure achievement of forecasts.
- Oversee production, supply, and sample availability, taking corrective actions when needed to maintain smooth operations.
- Build and maintain relationships with key stakeholders (opinion leaders, NGOs, customers) and organize meetings or symposiums with the sales team to gather feedback and promote products.

Required Qualifications & Skills:

- Doctor of Veterinary Medicine from any reputed University.
- Experience in Animal Health Marketing Department/ Product Management Department (PMD) will give preference.
- Experience in Vaccine/ Pet Portfolio will be considered as an added advantage.

Salary & Other Benefits:

- As per company policy.
