Requirements

Education

- Bachelor/Honors
- Masters
- MBA/MBM/Master's/Four-year Bachelor's (preferably Business) from UGC-approved University, with no third class/division in academic records.
- Candidates with a minimum of 16 years of education will be eligible.

Experience

- At least 8 years

Additional Requirements

- Minimum 8 years of experience in Transaction Banking, Cash Management, Corporate Banking, Banking Operations, or related functions in commercial banks or financial institutions.
- Preference will be given to candidates having MTO/PO background in commercial banks or financial institutions.
- Experience in corporate liability business, digital banking solutions, cash management products, or branch banking operations will be considered an advantage.

Responsibilities & Context

- Develop and maintain strong relationships with corporate clients to expand business opportunities, enhance the deposit portfolio, and increase low-cost deposits.
- Identify and onboard new corporate clients for Transaction Banking & Cash Management products and services.
- Regularly visit corporate clients to strengthen relationships, understand business needs, and ensure service excellence.
- Promote and implement Transaction Banking & Cash Management solutions for corporate houses, educational institutions, and other business entities.
- Drive growth in Payroll Banking, Tuition Fee Collection (EMS), ICON (Corporate Internet Banking), Hajj Fee Collection, and other digital transaction banking solutions.
- Represent the Bank professionally and maintain relationships with high-value corporate and priority clients.
- Oversee the end-to-end Transaction Banking & Cash Management process, from business proposal and onboarding to implementation and service delivery.
- Monitor and analyze corporate deposit portfolios, customer transaction behavior, MIS reports, and cash management activities to identify growth opportunities and improve performance.
- Ensure smooth execution and operational efficiency of transaction banking and cash management services across branches and corporate channels.
- Coordinate with DFS, IT, Operations, and Business teams to strengthen digital banking operations and enhance transaction banking solutions.
- Support A-Challan operations and take initiatives to increase related business volumes and service efficiency.
- Ensure seamless coordination with internal departments for effective service delivery and operational support.
- Regularly follow up with branches to achieve corporate liability and transaction banking business targets.
- Train, motivate, monitor, and manage branch employees in coordination with the Head of Transaction Banking & Cash Management.
- Assist in organizing business promotion activities, campaigns, client presentations, and branding initiatives.
- Stay updated on industry trends, digital banking developments, regulatory changes, and market dynamics relevant to transaction banking and cash management.
- Resolve customer issues promptly and ensure high standards of customer service and relationship management.
- Perform any other responsibilities assigned by the Management from time to time.
