

Medical Information Associate

Nevian Lifescience PLC – formerly Novartis (Bangladesh) Limited – carries forward a 250-year global legacy and a 50-year local heritage in healthcare excellence. With its EU-GMP and ANVISA-certified facility, Nevian produces world-class medicines, including Novartis global brands under license, and serves as the importer and distributor of Novartis' innovative therapies in Bangladesh.

At Nevian, we are a team of passionate professionals driven to make a real difference for patients. We foster a culture where talent is valued, collaboration thrives, and everyone is empowered to perform at their best. Join us and be part of a team making a lasting impact on millions of lives.

We are seeking for **Medical Information Associate** to join our **Sales** team.

Major Responsibilities:

- Deliver scientific information to Health Care Professionals through face-to-face interactions and digital platforms.
- Build and maintain strong professional relationships with medical experts through regular visits and a range of engagement initiatives.
- Plan, organize, and support scientific and promotional events, ensuring active involvement of national-level medical experts in collaboration with marketing, medical, and cross-functional teams.
- Consistently achieve business targets and key commercial excellence KPIs.
- Demonstrate and role-model the organization's values, ethics, and compliance standards in all aspects of work.

What you need to apply:

- Minimum Honours (04 Years) degree in Science (preferably Pharmacy, Zoology, Botany, Chemistry or any other Life Science subjects).
- Willing to work anywhere in the country as required by the organization.
- Ability and willingness to ride motorbike.
- Excellent interpersonal skills and good communication skills in both Bengali and English.
- Up to 30 years of age.

Nevian is an equal opportunity employer dedicated to diversity, inclusion, and equity for all.

Application Procedure:

Interested candidates can apply online by **20 May 2026**.
