Responsibilities & Context

Job Overview:

PRAN-RFL Group is seeking a skilled **Chinese Language Interpreter** to facilitate effective communication between Chinese expatriates and local teams through accurate interpretation and translation. The role supports seamless collaboration across business operations, meetings, and technical discussions in a dynamic manufacturing environment.

Job Location: Rajshahi, & Pabna

Job Responsibilities:

- Provide accurate verbal interpretation between **Chinese (Mandarin)** and **English/Bengali** during meetings, factory visits, training sessions, and daily operational activities.
- Translate written documents, including emails, reports, manuals, SOPs, technical documents, and presentations.
- Assist Chinese expatriates in communicating with local employees, vendors, contractors, and government officials when required.
- Accompany Chinese delegates during business meetings, factory inspections, and official visits.
- Prepare and maintain translated documents while ensuring accuracy and confidentiality.
- Interpret technical terminology related to manufacturing, engineering, production, or other business operations.
- Coordinate communication between Chinese and local teams to ensure timely execution of projects.
- Assist in organizing meetings by preparing bilingual meeting notes and minutes.
- Perform any other tasks assigned by management.

Skills & Expertise

- Chinese (Mandarin)
- Chinese HSK4 Level
- Chinese Interpreter
- Communication and interpersonal skill

Compensation & Other Benefits

- Market standard salary (Review after 6 months probation period based on performance)
- Accommodation Facilities
- Mobile bill, Tour allowance, and Provident fund
- Lunch and Dinner Facilities: Partially Subsidized
- Yearly salary review
- Two Festival Bonuses
- Leave Encashment
- Promising career path
- Credit purchase facilities with discounts at PRAN-RFL outlets.
