

SQUARE TEXTILES DIVISION

IN SEARCH of EXCELLENCE

SQUARE FASHIONS LIMITED is a venture of SQUARE GROUP, which has the most sophisticated vertically integrated composite RMG setup in the country. SQUARE Fashions Ltd. is producing the best quality knit fabric and readymade garments for the leading brands in the world. Right now we are looking for smart, energetic and result oriented team members, who will share our pride with us and support our continuous growth. If you think you have what it takes to be a member of SQUARE, do not wait to apply as:

Knit Fabric Designer - Circular Knit

Major Duties and Responsibilities:

- Develop innovative knitted fabric designs and transform creative concepts into commercially viable and production-ready fabric developments.
- Analyze buyer-provided fabric swatches, including fabric type, CAM & needle arrangement, yarn count, fabric composition, gauge, GSM, stitch length (SL), and yarn properties.
- Identify limitations in knitted fabrics and recommend appropriate technical solutions.
- Develop and optimize jacquard and decorative knitted fabric constructions.
- Establish production-friendly Standard Operating Procedures (SOPs) for knitted fabric development.
- Identify, troubleshoot, and resolve knitted fabric defects during knitting, dyeing, and finishing processes.
- Analyze buyer feedback on knitted fabrics and implement corrective actions to meet quality standards.
- Calibrate knitting parameters based on dyeing shade requirements.
- Adjust knitting parameters according to post-processing washing and All-Over Print (AOP) specifications.

Required Educational Qualification & Experience:

- B.Sc in Textile Engineering from any recognized university.
- Must have 2 to 5 years of experience in Knit product development.

Required Skills & Age:

- Strong understanding of knitted fabric structures, yarn properties, gauge, GSM, and stitch length.
- In-depth knowledge of knitted fabric finishing processes, including mercerizing, peach finishing, brushing, and heat setting.
